Sgt. Charlie J. Tomek Saw Germany Defeated; He Fought From Nomandy To Czechoslovakia; Lives to Tell Story of Many Bitter Battles

It was a long and bloody road but battle-weary Sgt. Charlie J. Tomek lives to tell the story of the bitter battles that resulted in the utter defeat of Germany.

Sgt. Tomek, recently discharged, is spending a quiet few weeks at his home near Cameron. There were 320 days of actual combat after he landed on Omahah Beach in France on June 7, 1944 just 24 hours after the first American forces had crashed ashore on Normandy. Off in the channel were three American battleships lobbing a steady stream of big shells into the beaches beyond. They are the Texas, Oklahoma and the Arkansas. Over head thousands of airmen beat back the Germans but at that it was bloody and costly.

Along the beaches lay many Americans, dead. Further on the Germans littered the ground and the bloody road that first began with the capture of Trevierres in Normandy to the reduction of Brest, to Paris and on through Germany to Czechoslovakia, the Germans paid a heavy price. Sgt. Tomek saw thousands of unburied bodies all along the path of the Second Division battle march.

Now Sgt. Tomek can tell his story. He was with the 38th Field Artillery, 2nd Division under the overall command of General Courtney Hodges of the First American Army. Sgt. Tomek entered service on February 10, 1941 and trained at Fort Sam Houston before the Japs attacked Pearl Harbor and drove America into the war. From Fort Sam Houston he went to Camp McCoy, Wisconsin, and on October 8, 1943, after two years in which one of the best trained units of the entire army hit out for a fight with the Germans, sailed from an eastern port of embarkation.

Their convoy went straight to Ireland, landing at Belfast. It rained for a month and was bitter cold. Their camp was a few miles from Armaugh, Ireland. They lived in tin huts much like those used by the men who went to Iceland. Their fuel was coal and it was rationed. Sgt. Tomek said they suffered a great deal. After two months they were sent to Wales in Southern England and the weather was much better.

CITY COUNCIL URGED TO ORDER BOND ELECTION

Cameron Rotary Club by unanimous indorsement has called upon the City Council to order an immediate Bond election to carry into effect the recommendations of the Planning Board.

A committee of P. W. Davis and John R. Hays, have written a resolution and mailed to Mayor Chas. C. Smith which is as follows:

Whereas, The Mayor and the City Council of the City of Cameron, realizing the need of constructive planning for he post-war period for improvements in and to the City of Cameron, did appoint a planning board to study the needs of the City and make recommendations, and

Whereas, This Planning Board has faithfully performed their duties at considerable sacrifice in time and labor and have made their final report and recommendations in a very concise and detailed manner to the Mayor and Aldermen, and have pointed out certain changes and economies whereby their suggestions can be carried to a completion without the necessity of raising the tax rate or raising the tax assessments, and has also pointed out that this is the most opportune time for selling bonds because of the low rate of interest now prevailing in the money market.

Therefore, be it resolved that we, the members of the Cameron Rotary Club do unanimously highly commend the Mayor and Councilmen for causing this work to be started, and the Cameron Planning Board for their untiring efforts in bringing this plan to the attention of the City Government and citizens of the town, and do petition he City Government to cause to be called a bond election in the amount recommended, for the immediate cosideration of the citizenry so that these much needed improvements can soon become a reality.

And be it further resolved that the change to "Home-Rule" operation of the City Government be made as recommended, and various economies suggested be put into effect.

Cameron Rotary Club,
By Committee—P. W. Davis,
John R. Hays.

10 YEAR SENTENCE IS METED TO FORGER HERE

Alton Davis on a plea of guilt was sentenced to 10 years in Texas Prison by Judge John Watson in District Court here Wednesday.

Judge Watson did not accept a recommendation by County Attorney Gunn for a 4 year sentence to run concurrently in two cases but instead fixed the punishment at 5 years in each case. This means Davis is now under a 10 year sentence.

Davis forged two checks, one on a Cameron firm and the other on a Caldwell bank and a Milam county resident.

Sheriff Carl Black arrested Davis and charged him with forgery. Davis has a long prison record. He was brought here for trial from Sweetwater by Sheriff Black.

Davis said he was first sent to prison for stealing a car, but claims he was innocent. Since then he has tried to beat the law.

FABULOUS SOIL HERE WILL BE ADVERTISED

The soil of Milam county is fabulous and the Cameron Chamber of Commerce believes it should tell the world about land opportunities.

The Chamber has authorized an illustrated folder on Cameron and the soil of Milam county. Facts are now being assembled and photos will be lavishly used in the advertising tract.

Milam's matchless soil has sent interest skyerocketing over a wide area of the United States, especially in the barren lands west where production is uncertain.

Farm products including the famous melons and tomatoes from Milam county have made their way to many states during the past few years. Soil, rainfall and climate make lands here attractive. It was believed that resettlement of the rural areas can be accomplished when the facts are known. Milam county has lost some 10 thousand in population during the past ten years.

With the ending of the war and a reshuffle in peoples certain to come, men and women who have made money in war plants, are looking for homes. Here are opportunities not to be had in any other section of the United States, chiefly because of cheaper lands and ideal growing conditions.

REV. PAUL D. WRIGHT PRESBYTERIAN MINISTER

Rev. Paul D. Wright of Refugio has accepted a call to First Presbytehian church in Cameron and will become the minister here on or about November 1st.

Rev. Wright has been pastor at Refugio for several years. With Mrs. Wright he will be in Cameron within a few days.

Several weeks prior to his call he preached from the local pulpit.

THANKSGIVING DAY TO BE THURSDAY NOV 29

Cameron will observe Thursday, November 29, as Thanksgiving Day, it was recommended by the Chamber of Commerce on Tuesday night.

Governor Stevenson has proclaimed Thursday November 22, as Thanksgiving day. The annual football game between Texas and A & M was the factor which determinted the decision of the Board of Directors of the Chamber here.

Selection of November 29 was regarded as the best possible choice of Thanksgiving days.

P F. HOLDER, PIONEER AT FRIENDSHIP IS DEAD

P. F. Holder, 85, died at 4 o'clock Friday morning at the home of his son P. E. Holder with whom he had made his home for some years. He had lived in the Friendship community for fifty years. He was a farmer.

Funeral services will be held Sunday afternoon at Friendship. His survivors are: P. E. Holder of Friendship W. A. Holder of Liberty Hill, Ellie Holder of Arizona, twenty-seven grand children and seven great grand children. The body will remain at the family residence until time for burial.

QUISLING IS SHOT AND BODY CREMATED

The Norwegian traitor, Quisling, was put to death sometime during Tuesday night and his body cremated, is was learned early Wednesday.

After the Germans invaded Norway they found a traitor as they did in France, in Holland and in Belgium as well as in the Balkans.

ter the German collapse. He was

Quisling was arrested shortly after tried and found guilty and the death penalty asesssed. Pierre Laval, the French traitor, was shot and his companion in crime, Marshal Petain got a life sentence.

Does Texas rightfully belong to Spain? In 1819 the United States ceded Spain all land south of the Red River and west of the Sabine River. No subsequent treaty was ever made.

SGT. VIRGIL R. LAKE

Sgt. Virgil R. Lake, hero of the European campaigns which resulted in the defeat of Germany, is now receiving treatment at Brooks General Hospital in San Antonio, and while receiving treatment for battle wounds, is going to school.

Sgt. Lake is the son of Mr. and Mrs. Will V. Lake of Cameron. In the European fighting he served with a Mortar Squad in the 3rd U.S. Army under General George Patton. He was wounded in the fighting in Germany and was flown to France for hospital treatment. After returning to the front lines he became ill with fever and was returned to the hospital where he remained until he left for the States.

Sgt. Lake came home on the ship, George Washington. He landed in New York on July 4. He came to Cameron on a 45-day furlough. Mrs. Lake and their small son are in San Antonio with Sgt. Lake

LOAN DRIVE KICK-OFF SET FOR OCTOBER 29

The call for War Bond dollars will begin October 29 with a great kick-off meeting for the Victory Loan, acording to Dan Tyson, County Chairman. The following statement was issued Tuesday morning by Mr. Tyson:

"Volunteer workers who have given Milam county one of the nation's top records in seven previous war loan drives will gather at the Cameron high school gymnasium Monday evening, October 29 at 7:30, for the purpose of perfecting a county wide organization, to more fully acquaint all workers with the need for the bond drive, the details of bonds offered and to secure necessary supplies.

"Approximately 300 workers from every section of the county will be present. A short program is scheduled and a free dinner will be served. The overall quota is $985,000 and the Series E bond quota is $210,000.

"They finished their job. Lets' finish ours."

NEW FORD WILL BE ON DISPLAY FRIDAY

DEARBORN, MICH, Oct. 23.—Friday is V-8 day. An automotve public that has not seen a new car since the war, will get the first opportunity to view the 1946 Fords on that day.

Every Ford Motor Company dealer will have at least one of the new, improved models on display.

H. H. Stedman of the Hefley-Stedman Motor Company, local Ford dealers, said one of the new models will be on display here Friday. Mr. Stedman has made advance preparation for the showing by enlarging and redecorating his display rooms.

J. R. Davis, director of sales and advertising, said that the company long had planned to be first in public display of automobiles.

He said it has been hoped that prices of the new cars could be announced at the time of the public showing, but now it doesn't appear as though a price would be received from OPA by that time. Consequently, dealer deliveries to the public apparently will be delayed.

"Ford production is rolling now and if we can go ahead unhampered, we should have hundreds of Fords in Mr. Davis said.

every sales area within a few weeks,"

"He will continue to seek a price arrangement so persons who want to buy Fords may do so as soon as possible."

HOUSING SHORTAGE IN CITY STARTS SURVEY

Camerons' acute housing shortage has caused rush plans to be made for a house to house survey to find living space for families and individuals who are coming back from the war and from the war plants and new comers who want to make their homes here.

A. W. McCullin, President of the Chamber of Commerce, hopes to see this survey underway this week.

During the peak demand for housing when hundreds of men in service visited the city each week, the people were generous and gave surplus housing from their homes.

It was pointed out that housing is available among many who do not want to advertise. They may list ther space with the Chamber of Commerce with assurances it will be treated in confidence if desired.

The plan is to set up a file on housing information where those who wish rooms, light housekeeping or apartments may apply at the Chamber of Commerce.

Local hotels will be asked to make a list of rooms they can spare for monthly rentals. It is pointed out that there is no other way to meet the acute need here and in addition a great deal of revenue will be forthcoming to home owners who can spare their extra space.

To provide housing will be a cooperative community enterprise and home owners can serve their city well by making space available with tenants to be investigated before letting.

CENTENNIAL COMMITTEE LIST IS COMPLETED

A. W. McCullin, president of the Chamber of Commerce, has completed the list of committee members following the release of the first list last week.

As plans develop for the Centennial celebration, Mr. McCullin said he would add members from organizations as they develop.

By following this policy the committee will include all who should have an official part in the celebration plans.

Here are the names added since the last announcement

Mothers Club, Mrs. J. M. Boehner; Daughters of the American Revolution , Mrs. Olivet Todd Walker; Daughters of the Confederacy, Mrs. J. R. Hays; Rebecca Lodge, Mrs. J. M. McLean; Retail Merchants Association.

HENRY REDDEHASE WINS FIRST IN PIG SHOW

Henry Reddehase of Ben Arnold won first place with his registered Duroc Jersey gilt in the Sears & Roebuck 4-H Club Pig Show held in Cameron Saturday, October 20.

The show was arranged and supervised by J. W. Davis, new County Agent for Milam county. Mr. Davis, recently discharged from the army, served as Lieutenant in the 3rd Army under General George Patton.

Competition was strong in the show here Saturday. Having won first place, Reddehase was awarded a registered Jersey heifer, also given by Sears & Roebuck.

Other gilts exhibited at the show placed as follows: Robert Lee Schulte Burlington, 2nd; Carroll William Boecker, Yarrellton, 3rd; Denison Provasek, Yarrellton, 4th; Benny Ray Juergens, Vogalsang, 5th; and Lloyd Stoebner, Burlington, 6th.

First place award was a Jersey heifer; 2nd, 125 baby chicks; 3rd and fourth winners 100 baby chicks each.

Reddehase will now be eligible to exhibit his gilt in the district show to be held in Waco on November 2nd. Robert Lee Folschnsky will also show his boar in the Waco show.

In the Waco show 3 Jersey heifers are to be awarded for first, second and third prizes. In the Cameron show each exhibitor was given $2.50.

W. I. Ross, County Agent of Falls County, judge of the Cameron show, commented favorably on the breeding and quality of the gilts shown. Gilts that place low in the Cameron show would probably place high in the average show of this type.

CHAMBER COMMERCE ASKS BOND ELECTION

The Chamber of Commerce has petitioned the City Council by resolution to call an immediate bond electon to put into effect the recommendations of the Planning Board. The resolution is as follows:

Whereas, The City Council of Cameron, Texas felt the need of some constructive improvement and needed the services of a planning board to carefully consider and decide the improvements needed, and did appoint such a planning board; and,

Whereas, this Planning Board has made a detailed study of the needs of Cameron, and have made a concise report on these needs, and provided a plan which if carried to completion will provide Cameron with an adequate street improvement program, a City Administration Building, a public library, a farmer's marketing center, and other needed improvements at a minimum cost while money can be borrowed at a very low rate of interest;

Therefore be it resolved, that We, the Directors of the Cameron Chamber of Commerce, by unaimous vote, commend the City Council for its foresight in appointing the Planning Board, and also highly commend the Planning Board for its most excellent and comprehensive report, and that we request the City Council to submit this report to the Citizens of Cameron, and give them an opportuniy to approve or disapprove a bond issue in sufficient amount to make all or a part of these improvements as the people shall indicate in such election.

Committee: E. A. Perrin, Chairman
J. M. Boehner
L. Van Perkins.

JOHN S. BURNS WITH CAPITAL NATIONAL BANK

John S. Burns, recently discharged from the Navy, has accepted appointment as an assistant cashier of the Capital National Bank in Austin.

In the navy Burns was lieutenant and won the Silver Star in combat. He was born and reared in Cameron, son of Mrs. Beulah Burns of Austin and the late S. M. Burns of Cameron who was District Attorney.

The Austin American in commenting on his bank assignment says:

Hailing from Cameron, Burns came to Austin in 1935 to attend the university, from which, in 1937, he received a BBA degree. While attending the university and for three years afterwards he was associated with Texas Warrant company. Entering the navy in 1940, he saw much active duty. With the rank of lieutenant and as a wearer of the Silver Star, he was executive officer of the destroyer Walke when, in the Luzon operation, it was badly damaged by a direct hit from a Jap suicide plane. Just after this damage had been repaired he was still on the Walke off Okinawa. Earlier in the war he was an officer on the destroyer Roe when it participated in the landings at Casablanca, Sicily, Salerno and Normandy. Burns is now on inactive service and has already assumed his position with the bank.

Hariet Atkinson Is Arranging Reception For Class of 1939

Graduates of Yoe High School, Class 1939, are being invited to a reception and get together in Cameron from 6 p.m. to 6:45 p.m. on Friday, November 2nd.

The occasion will be the home coming for graduates of Yoe High School to attend the football game between Cameron and Hearne. Miss Atkinson, member of the Class of 1939, is sponsoring the meeting of the class of 1939 and the reception will be held in the Club rooms of the Business and Professional Womens Club in Cameron.

The occasion will be an informal get together. Other classes are to sponsor similar meetings to carry out the plan for annual home coming of former graduates.

J. Z. Smith of Port Arthur, A. L. Smith of McAllen, and G. P. Haynie were in Cameron on Monday where they arranged funeral services for their mother, Mrs. Jesse L. Smith, who died at Waco on Sunday.

Bride-Elect is Honored With Shower

Miss Kathleen Shuffield, bride-elect of Alfred Simicek, was honored with a miscellaneous shower at the home of her mother, Mrs. Hubert Shuffield on Wednesday at 5 p. m.

Seasonal flowers were used throughout the rooms for decoration, with a table directly under the light to receive the gifts.

Several games were played, after which Mrs. Travis Medders, a cousin of the bride to be and Mrs. Hubert Shuffield, Jr., assisted in serving refreshments of sandwiches, cookies, angel food cake, potato chips, and punch.

The honoree received many beautiful and useful gifts and thanked each friend in her sweet charming manner.

Those present for the happy occasion were:

Charlyne Hall, Mrs. D. H. Slaughter, Mrs. Lula Rogers and daughters, Miss Florine and Mrs. Travis Medders, Charlie P. Simicek, Jr., Mrs. Dan Tyson, Marjorie Foster, Evelyn Dusek, Ann Brock, Mrs. A. M. Horstmann, Mrs. Chas. E. Bishop, Nora Duncum, Mrs. Leo Fuchs, Mrs. Jeff T. Kemp, Mrs. R. B. Craddock and daughter, Winnie Mae and Carnelia

From where I sit ... *by* Joe Marsh

"There ought to be a law!"

Every now and then, when I run out of news for the *Clarion*, I print items about what happened Fifty Years Ago in Our Town. May be a lazy man's way of filling space, but it often makes mighty interesting reading.

Seems like human nature is always repeating itself. Same old prejudices, bickerings, and mistakes. Here's an 1895 politician trying to restrict free speech . . . a demagogue crying out against women's rights . . . a local committee raising the bugaboo of Prohibition.

Same old cry down through the years: "There ought to be a law!" Same old desire of one group to force its opinions on another.

From where I sit, it's not more laws we need—nor more restrictions of our right to think, and choose, and live as we see fit. But more tolerance and understanding—more "live-and-let-live" among human kind.

YOEMEN FACING STRONG KILLEEN TEAM FRIDAY

Following their humiliating smack down by the Taylor Ducks, the Yoemen were hard at work Monday getting ready to meet the Killeen Kangaroos in Killeen Friday night.

The Kangaroos are defending District Champions and while their record this year is not as impressive as that of Taylor the Kangaroos are still the hope of the conference in moving the title privileges out into circulation. Taylor has not lost the conferencee title in a number of years with the exception of the 1944 championship.

Killeen has lost one game to Fredericksburg and tied with Lampassas, both strong teams.

Cameron had played a weak intersectional schedule, regarded by some as an erroneous beginning. Hopes are that in 1946 the Yoemen will be able to take some hard licks before they begin conference competition.

District 31-A is one of the strongest in Texas. Its District title winners rarely if ever have lost either a Bi-District or a Regional Championship, Cameron being the lone exception against Smithville in 1934.

The Yoemen are pointing to Killeen. They know they have only an outside chance to defeat the Kangaroos, but they are going up to the Kangaroo field with something behind them that is good experience, a severe defeat.

Coach Leo Jackson is going to put in a week of hard work. The Kangaroos have a new field and they dedicated it two weeks ago by defeating Belton 18 to 0.

Belton Finally Wins One; Take Rosebud 19 to 13 Friday

BELTON, Oct. 19.—In a game marred by costly fumbles and featured by brilliant forward passing and broked-field running, the Belton Tigers clawed the Rosebud Panthers into submission, 19 to 13, in a 31-9 district encounter.

On the first play of the battle Rosebud fumbled on their own 25. Before the bulbs in the floodlights had become warm, Dan Spears made it a first down for the Tigers on the Panthers' 12 and on the next play Howard Walker rumbled over the goal for the score. Spears converted.

After an exchange of kicks in the second period, Rosebud again accommodated by fumbling, the Tigers' Richard Meyer scooping up the ball and chasing 35 yards for a touchdown. Try for conversion was wide.

Late in the same period Anding, Rosebuds steller performer, passed to Litzman, end, who travelled for a score, the pass and run totaling 30 yards. Anding passed to Litzman for extra point.

Another Rosebud fumble in the third put the ball on Rosebud's 23 in Belton's possession. The Tigers went to work on the 12 and then went to work with Spears chalking up a first down on the 12 and the same carrier scooting over for the third Belton touchdown. Attempt at conversion was too low.

In the final period the Panthers came to life and, after taking over the ball on Belton's 32, Anding shot a pass to Light, who ran it 30 yards to the 2-yard line from where Brazen, halfback, wiggled over for the score. Attempt at conversion was no good.

Belton marked up 11 first downs to Rosebud's eight but Rosebud led in yards gained from scrimmage with 168 to 141. Belton tried three passes to no avail while Rosebud attempted 13 to hit the bull's-eye with six Belton fumbled twice and Rosebud six Belton recovering five and Rosebud one.

M-Sgt. Joe Ondrej Receives Discharge

M-Sgt. Joe V. Ondrej, son of Mrs. Albina Ondrej of Cameron, has been honorably discharged from the Army under provisions of the Army discharge system, it has been announced by the commanding officer at Ellington Field.

Sgt. Ondrej entered the Army on October 4, 1939 and served 18 months in the European Theatre of Operations.

Prior to his separation from the Army, Sgt. Ondrej was stationed at Chatham Field, Ga., where he aided in the B-29 training program.

The Mothers club welcomed into membership this week the following ladies: Mesdames Frank Cheeves, Emory Camp, John A. Smith and Dwight Moody. Mrs John Prude was hostess for the meeting, and the president, Mrs. J. M. Boehner opened the meeting. Mrs. Ben Reichert assisted with the hospitalities for the occasion.

1st. Lt. W. L. Mode Receives Discharge

SANTA ANA, CALIF—1-Lt. William L. Mode, son of Mr. and Mrs. Eugene I. Mode of Rt. 3, Cameron, was honorably discharged from the separation base maintained here by the Air Forces.

Lt. Mode is a veteran of 27 months of service in the Army Air Forces. He served in the European Theatre of operations as a C-47 pilot with the 9th Air Force on 20 combat missions.

The AAF was awarded him the Air Medal with two oak leaf clusters, the European Theatre ribbon with seven battle stars and a Presidential Unit Citation.

Brigadier General Arthur E. Easterbrook, commanding general of the SAAB, declared:

"The fact that a man has served honorably with the AAF marks him among the cream of the crop. We think many of tomorrow's leaders will spring from the outstanding young men who have made up the victorious Army Air Forces."

Before entering the service Mode was employed as a civil service worker

HERE'S A SIMPLE CURE FOR SOUR NOTES

Serve 'Em A Blend They'll Enjoy

Breakfast is the most critical half-hour of the day. A hearty breakfast, spiced with cheery conversation and good coffee, does more for the spirits than almost anything else. If sour notes and complaints spoil yours, that brand of coffee you've been serving could very well be the cause. Put the family on Admiration Coffee for a week and see if a vast improvement doesn't occur. This rich, mellow blend builds up routine meals and dispositions alike, and lends sparkle and zest to the occasion You don't have to search for a difference—you'll thrill to the difference on the first sip.

Idea! TRY THIS TEST

Here's a sly one. Start serving Admiration without letting on to the family. Then after you've had your first week of peace, quiet and "admiration," let them in on the big event.

TAYLOR IN A 20 TO 7 VICTORY OVER CAMERON

Gone is the unscored on record and maybe chances for the district title, but not the traditional Yoemen spirit and fight.

For almost three quarters Friday night the Yoemen beat back a superior Taylor team and hope rose in the stands as Leo Jackson's band of little giants tied the score, only to falter and lose miserabily in the final stanza.

the score in the third quarter. The score resulted when Michalka, quarterback for the Yoemen burst out through the center of the Taylor line and ran 30 yards off the Duck left tackle slot. On the next play he found T. J. O'Neill with a long pass and the little back wheeling away from two would be tacklers scampered for the only Cameron touchdown of the game. It was a 70 yard gain. O'Neill had run 40 yards. Cameron got the ball on a Taylor fumble and converted it into a touchdown from deep in their own territory.

The game was spectacular and as predicted was a whale of a ball game It was played to a capacity crowd. Almost an hour before the kick off the stands were filled and people began to line up along the fences to the side lines.

Taylor won the toss and elected to kick. The Yoemen got the ball deep in their own territory but a stout Duck line held them for downs and the ball was punted out to midfield. A series of power plays took the Duck power team to the shadow of the Cameron goal but the Yoemen held and Jimmy Marek punted out. The Ducks were not to be denied.

Sanders, scintilating 150 pound half back for the Ducks saw to it that the unscored on record could be blasted. A 50 yard march brought the Ducks to the Cameron 5 in the middle of the first quarter and Sanders carried over from the marker. Sanders converted and the score was 7 to 0. At the half the score was 7 to 0 but the Yoemen came back to tie

The Ducks applied their power tactics in the fourth quarter. After a 50 yard drive down the field, Reads, Duck half back tore through a hole in the center of the Yoemen line and ran 15 yards for pay dirt. The Ducks failed to convert and the score was 13 to 7. The last score of the game came when Sanders took a pass on the Cameron 5 and scampered across. The kick was good. The score was 20 to 7 and that was the ball game.

Taylor badly outplayed the Cameron team. The first downs were 11 to 3 in favor of the Ducks. Taylor registered 264 yards from scrimmage while Cameron got 81. On passes Cameron racked up 66 yards.

Taylor standouts in a game that featured line play were O. Miller and Swensk at tackle positions and B. Miller, end. In the Cameron line Wallis at right guard and Hawkins at end were standouts.

Michalka, a good passer, was never able to get his aerials away because the Cameron line was leaking badly. The Yoemen backs, all fast and versatile were almost completely bottled up.

SGT. TOMEK

(continued from page one)

Sgt. Tomek says the Welch people are very hospitable. In Ireland prices were high and their meager pay did not go far.

In Wales they began training for the invasion. By this time they were on edge, and felt they could take the Germans wherever they found them. On June 7, 1944, the 2nd Division quietly evacuated to the channel where ships waited to carry them over just 22 miles where the world's most biter and devastating war was in progress.

"I am sure I will always remember that day. When we approached France we could see the terrible outline of the struggle. We were covered by three great ships of the line, the Texas, Oklahoma and the Arkansas, and there were a lot of other war ships in the channel, all spouting a red curtain of fire over our heads. The Oklahoma was sunk at Pearl Harbor and later raised. She looked mighty good out there thundering away at the German installations on the beaches ahead. We hit the Germans on Omahah Beach. The paratroopers and the Rangers were ahead of us. I do not know whether the story has been adequately told. As I saw it the landings cost us heavily. Almost everywhere one looked were dead American boys. The first landings had been made on the day before. The dead and the wreckage littered the beaches. It was a grim and bloody time. How I lived through it to go on for 320 days is beyond me. I was just lucky. The 2nd Division took the first town in Normandy. It was Treverres. After we fought our way inland our first major thrust was at Brest. When the grand offensive began our 2nd Division turned south and with other army units began a two months battle for Brest. The city was commanded by a Nazi general who was a fanatic, as you recall. The city was bombed for 2 months. We killed 25 thousand Germans and captured another 25 thousand. When they told the Nazi to surrender or die, the commander answered, "Hell, no!" We Brest totally destroyed. It was a bitgot him and his men and we left ter battle and the 38th Field Artillery was right in the middle of it."

In the meantime General Hodges had gone straight at Paris. After the capture of Brest and with Paris already in American hands, we went to the French capital in trucks. All the way we could see thousands of German dead littering the roads and the ditches and the wreckage of their equipment was a sight to see. Both Patton's Third and Hodges First had hit them and what could be worse? After Paris where we did not linger, we went into Belgium. That was in September 1944."

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion,* thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

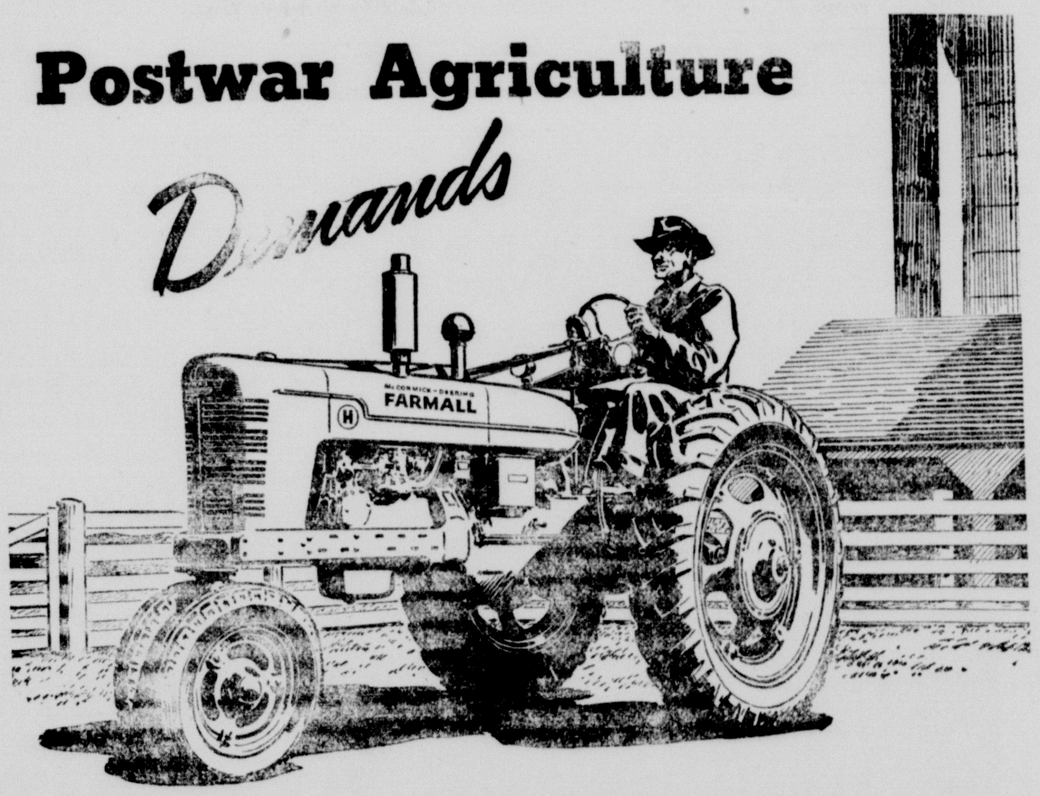
Postwar Agriculture Demands



THE RIGHT TRACTOR FOR THE PARTICULAR JOB

THE proverbial Jack-of-all-trades was master of none. The modern world of science and technology passed him by.

The same principle applies to farm tractors. The tractor that does a wide variety of jobs unsatisfactorily can't possibly produce the greatest results at the least cost in any job.

But that's what the farmer—particularly the small operator—has got to do to meet postwar competition: he's got to *produce the most food possible with the least effort and, consequently, at the lowest cost.*

The farmer with 10 acres in truck crops needs one kind of tractor. The farmer with 100 acres in wheat alone needs another kind—or, as is usually the case, two or more different tractors. The tractor which does a good job on the Great Plains may be useless in the rice territory. And so it goes.

Conditions of climate, the lay of the land, and the character of soils in the different parts of this vast country, together with wide variations in the nature of crops and the size of operations, combine to produce wide differences in the requirements for tractors. Harvester's policy is to meet *all* these requirements.

That is why Harvester's postwar line includes a great variety of Farmalls and other specialized tractors and attachments rather than a single tractor with a single system of tools. Every tractor in the line was developed after scientific research and testing under actual operating conditions showed the specifications needed for *efficiency* and *economy.*

Every *Harvester-built* tractor is the *right* machine for its *particular* job.

TRUMAN CALLING FOR UNIVERSAL TRAINING

Universal military training with no exemptions except for outright physical disability, a strong well-trained reserve army and a greatly expanded militia was advocated by President Truman in a fighting speech to Congress Tuesday at noon.

President Truman said there is nothing certain in the international situation and the only way to avert attack and keep the peace is to be strong in every phase of war making.

He said that America must not fall into the mistakes of 25 years ago. If another war comes, he warned, the heart of America will be the point of attack.

The principle of his proposal is a year of military training to create a great reserve army but in no case would men so trained be inducted into fighting units without specific acts of Congress.

The President backed up the army and navy and air chiefs of the nation. He laid stress on his belief that such a program would be beneficial to men so trained and in case of war would greatly lessen the chances of death He said the men who have fought the war just ended have earned the right to exemption from further duty and that the army of the future should be built from younger men.

Mr. and Mrs. O. L. Kidd had as recent guests their daughters, Misses Wynell Kidd of San Antonio and Marjorie Kidd of Austin.

Miss Gloria Ann Cole of Texas university is spending this week end here with her parents, Mr. and Mrs. E. C. Cole.

HE NEEDS
"See-ability" TOO!

Along with a bright mind and the proper books for study, your child needs "*see-ability*," too.

A good student, who must spend long hours studying, needs proper light for adequate seeing and prevention of eye-strain. The "see-ability" resulting from proper lighting is important, too, in making good students out of poor students because it makes studying easier. That's one of the reasons it's important to be sure the lighting in your home is adequate for the "seeing-tasks" that are done there.

Reflector bowls of portable study lamps should be kept free of dust. Inner surfaces of shades should be white and the shade wide enough at bottom to allow light to cover the entire "seeing-task" without casting direct light into the eye. Proper size for the average study lamp is 150 watts.

See local dealers for such additional lighting equipment as you may need.

what is Peace?

PEACE is more than the absence of war. Peace is a friendly handclasp, small talk on a front porch, friends in for dinner.

Peace is a birthday party, a Christmas tree, an Easter service in a white church. Peace is people helping instead of hurting one another, trusting instead of suspecting, tolerating instead of hating.

Peace is meeting on equal terms. It's honoring a man for what he is instead of defaming him for what he isn't.

This is peace. And until we have all this, we won't have real peace — the feeling in our hearts that all is right once more.

Right now, we can make a good start towards this goal. For, right now, in our County War Chest campaign, we have the chance to help our neighbor. To help him regardless of who he is or how he worships. To act together in mutual trust and confidence.

And this is democracy in its finest expression. This is part of all we are fighting for. This is what you help to bring about when you contribute to the local War Chest. Make your contribution today—and make it as big as your heart!
